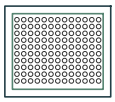
K1 DEVELOPMENT · PRINT AT 100% · MILLIMETRES



130 complete holes · diameter 0.60 mm

0.15 mm metal stencil; 0.05 mm backing cavity above it.

Green: silicone base. Black outer line: contact-cell body.

Use the separate full stencil CAD for its border and clamping.

Formed dimensions, shrinkage, post compression and force response are unmeasured.

50.00 mm — verify with a ruler
